Dear Ms. Welch,

I am writing to request funding to cover the cost of use of the Iroquois Amphitheater for the first Saint Nicholas Academy graduation. Saint Nicholas Academy was created through the cooperation of the founding parishes in the South end of Louisville.( St. Thomas More, Sts. Simon & Jude, Most Blessed Sacrament and Our Lady of Mount Carmel). The school was created to assure quality, affordable, Catholic education based on the values of Spiritual formation, Nourishment of character and Academic excellence. St. Nicholas Academy's families and friends have a long history in the South end and it only seems appropriate that they celebrate by all coming together for this significant event at the beautifully revitalized Iroquois Amphitheater. With this thought in mind we request support from you in the form of funding the rental cost of \$1000.00 from the Metro Council and you as our representative. Thank you for your continuing support for the work we do for our students in the South end of Louisville. It is our hope that the skills and values learned by our students as well as the memories we create continue to benefit them as adults living and working in the South end.

Yours truly,

A handwritten signature in black ink that reads "Carol Nord". The signature is written in a cursive, flowing style.

Ms. Carol Nord  
Head of School

Mary Ann :

The amount Councilwoman Welch will put toward the rental fee is \$1,000.00. The actual cost is around \$1,120.00, depending on support help, ( i.e. lights & sound.) Any additional costs will be paid by the school. Arrangements were discussed with Betsy Kronish of Triange Talent, the rental agent for The Iroquois Amphitheater and her supervisor, Clay Campbell. The graduation will be May 24th. Actual rental details have been discussed between Triangle Talent ( Betsy Kronish ) and the head of School, Carol Nord.
